

TopYacht: ~ Populate Note Fields

Background

TopYacht provides four (4) free-format fields that the user may populate with information. These may include (but not limited to)

- Bow Numbers
- Third Crew names
- Gender
- Division Colour

Further, these may be 'switched on' or off for display in several of the report displays.

Enabling Fields

Follow the sequence:

Admin | Configure Software.

Then

Ctrl X

The screenshot shows a configuration window with four rows of controls. Each row has a checkbox, a label, and a text box. The labels are: 'Show Note/Bow No :', 'Show Note1/Crew3/Bt Strt :', 'Show "Note2" Column :', and 'Show "Note3" Column :'. The text boxes contain the titles 'Note', 'Note1', 'Note2', and 'Note3' respectively. All checkboxes are currently unchecked.

- Enabling / disabling is achieved by checking / unchecking the check-box
- The user may also edit the Title for each Note field.

Populating the Fields

The note fields may be populated as follows:

Note Field	Initially, via Create New Competitor step of Via TES
Note1 Field	Initially, via Create New Competitor step of Via TES
